Defendants.)	

The Court is informed that the parties again have conferred, and have stipulated and agreed that the Court should adopt the following schedule for the completion of the parties' briefing on the currently pending motions; that the following schedule constitutes a two-week extension of the schedule which was proposed by the parties in the Scheduling Order that was entered herein on December 22, 2004; that such two-week extension is warranted as a result of plaintiffs' trial attorney's continuing illness over the past two weeks and the hospitalization of his son since mid-December of last year; and that the extension herein requested is further warranted by the wish desire of all counsel to present their positions in a full and fair fashion:

- January 31, 2005: Deadline for Plaintiffs' opposition to Defendants' Motion for Partial Summary Judgment on the Issues of Damages and Pre-Judgment Interest, and for Plaintiffs' reply in further support of Plaintiffs' Motion for Partial Summary Judgment on the Issues of Damages and Prejudgment Interest
- January 31, 2005: Deadline for Plaintiffs' opposition to Defendants' Motion for Summary Judgment Against Ninety-Two Class Members, or, in the Alternative, to Amend the Class Certification Order
- March 1, 2005: Deadline for Defendants' reply in further support of Defendants' Motion for Partial Summary Judgment on the Issues of Damages and Pre-Judgment Interest
